Adopt-A-Park

The Dolton Park District's Maintenance Department does as much as possible to survey the parks, equipment and surrounding areas. Several neighborhoods have parks located within their boundaries. We would like to invite each neighborhood block club and/or Homeowner's Association to take part in our Adopt-A-Park Program.

We would like each group who adopts a park or park site to periodically survey their park documenting problems, concerns, or ideas that will enhance the local park. The group would call the Park District's Administration Office or send concerns through our website.

We feel that this is a way to get the entire community involved and excited about the parks of Dolton. Please call the Park District's Administration Office for more information, if you would like to Adopt-A-Park. More than one group can adopt the same park; the more eyes the better.

Always remember, if there is any major misconduct it should be reported to the police, (708)841-2533.
